Part 2--Areas Not Already Within Municipalities

6-1-201. Population and property requirements. (a) Any part of a county not included within any municipality may be incorporated as herein provided; but all corporations incorporated under the provisions of this chapter shall contain not less than two hundred (200) persons, who shall be actual residents of the territory to be incorporated, and shall contain real estate included in said territory to be incorporated worth not less than five thousand dollars (\$5,000). Any part of two (2) or more counties not included within any municipality may be incorporated as herein provided.

(b) No territory having fewer than two hundred (200) residents, as determined by a census taken by or under the direction of the Tennessee state planning office, may be incorporated as a city or town under any general law or by private act. This restriction shall not apply to territory annexed to an incorporated city or town.

(c) (1) No territory, any part of the boundaries of which would be within two (2) miles of any part of the boundaries of an existing incorporated city or town, and which territory has less than five hundred (500) residents as determined by a census taken by or under the direction of the Tennessee state planning office, may be incorporated as a city or town under any general law or by private act. This restriction shall not apply to territory annexed to an incorporated city or town.

(2) The adoption, heretofore accomplished, of a charter of incorporation under this chapter and chapter 2 of this title, by any territory having less than five hundred (500) residents and having boundaries not more than two (2) miles nor less than one and eight-tenths (1.8) miles from the boundaries of an existing incorporated city or town, is hereby ratified and validated in all respects notwithstanding the provisions of subdivision (c)(1) of this section or any other law to the contrary. No flaw or defect or failure to comply with any technical requirement of incorporation shall invalidate any ordinance passed pursuant to such charters. [Code 1858, § 1349; Acts 1875, ch. 92, § 1; 1877, ch. 121, §§ 1, 3; 1899, ch. 312, § 2; Shan., § 1881; Code 1932, § 3292; Acts 1955, ch. 295, §§ 1, 2; 1959, ch. 295, § 1; impl. am. Acts 1972 (Adj. S.), ch. 542, § 15; T.C.A. (orig. ed.), § 6-101; Acts 1984, ch. 743, § 1.]

6-1-202. Application for charter--Description of boundaries. (a) (1) One hundred (100) legal voters, being freeholders and residing within such territory, may apply for a charter. Any of said applicants may withdraw from said application by filing notice thereof with the official having custody of the voter's list pursuant to § 6-1-205, and if the number of names thereon falls below one hundred (100) before notice of application is given pursuant to the provisions of § 6-1-209 the application is null, void and of no effect.

(2) In counties having a population of not less than two hundred and fifty thousand (250,000) nor more than two hundred and eighty thousand (280,000) according to the 1970 federal census or any subsequent federal census, any applicant may withdraw from such application, or any voter residing within such territory may add his name to such application, by filing notice thereof with the official having custody of the voter's list pursuant to § 6-1-205. Any person who wishes to withdraw their name from said application must do so at least thirty (30) days prior to the date an incorporation election could be held as provided for in this title.

(b) A description of the boundaries of the proposed corporation, and of its wards, if any, shall be attached to the application.

(c) Following the defeat of an incorporation in an election held pursuant to § 6-1-210, no new application for a charter may be made until after the expiration of four (4) years. Provided, however, if the territory included in the boundaries of the newly proposed corporation includes less than fifty percent (50%) of the territory subject to incorporation in such previous election, and if the territory subject to incorporation in such previous election comprises less than fifty percent (50%) of the territory included in the boundaries of the newly proposed municipal corporation, the four (4) year waiting period shall not be required.

(d)(1) If a proposal to incorporate a territory is defeated in an election held pursuant to § 6-1-210, by a number of negative votes comprising more than sixty percent (60%) of the persons voting, no further incorporation election shall be held for a period of four (4) years from the previous election unless the conditions established in subsection (c) are met.

(2) If a proposal to incorporate a territory is defeated in an election held pursuant to § 6-1-210, by a number of negative votes comprising less than sixty percent (60%) of the persons voting, no further incorporation election shall be held for a period of two (2) years from the previous election unless the conditions established in subsection (c) are met. [Acts 1875, ch. 92, § 2; 1899, ch. 312; Shan., § 1882; Code 1932, § 3293; Acts 1970 (Adj. S.), ch. 426, § 1; T.C.A. (orig. ed.), § 6-102; Acts 1980 (Adj. S.), ch. 500, § 1; 1983, ch. 33, § 1.]

6-1-203. List of voters. Before making application, the persons shall, in a good, substantial blank book, make or cause to be made a full and correct alphabetical list of the names of all persons, who at the time of making said list, would be qualified voters in municipal elections in the proposed incorporation, were the same then incorporated, and shall leave sufficient space in said list, in no case less than thirty (30) lines, after the last name in each letter of the alphabet, for the addition of other names as hereinafter provided. [Acts 1877, ch. 121, § 6; Shan., § 1883; Code 1932, § 3294; Acts 1970 (Adj. S.), ch. 426, § 2; T.C.A. (orig. ed.), § 6-103.]

6-1-204. Verification of voters' list. When said list is completed, it shall be verified as a full, correct, and complete list by the affidavit of at least three (3) of the persons intending to apply for the charter, that they verily believe it to be such, the affidavit taken before any official authorized by law to administer oaths. [Acts 1875, ch. 92, § 2; 1877, ch. 121, § 6; Shan., § 1884; mod. Code 1932, § 3295; T.C.A. (orig. ed.), § 6-104.]

6-1-205. Filing of voters' list--Incorporation of new municipalities within specified distances of existing municipalities--Notice requirement. (a) When said list has been so verified, it shall be deposited and filed with the county election commission. If the proposed incorporation includes territory in two (2) or more counties, said list may be filed with the county election commission of the respective county. The list once so filed shall be open to the public for inspection during regular office hours.

(b) Provided, however, that if any part of unincorporated territory proposed for incorporation is within five (5) miles of an existing city of one hundred thousand (100,000) or more in population or within two (2) miles of an existing city of more than five thousand (5,000) and less than one hundred thousand (100,000) in population, according to the latest census used for distributing state-shared taxes, then all proceedings as provided in this chapter following the filing of said list of voters shall be held in abeyance for fifteen (15) months from the date of filing said list; if within this period such existing city does not annex at least twenty percent (20%) of the land area or thirty-five percent (35%) of the population of such territory proposed for incorporation, then proceedings shall be continued as provided in this chapter as though the list of voters had been filed at the conclusion of such fifteen (15) month period; if such existing city annexes at least said part of such territory within this period, then the application and list of voters shall be null and void and of no effect whatsoever. Provided, further, that whenever the governing body of any existing city affected by this section shall, by a resolution adopted by at least a two-thirds (2/3) majority vote of its governing body, indicate that it has no interest in the prior rights reserved to it by the provisions of this section, and when a certified copy of that resolution is filed with the said list of voters, then the provision herein for holding the incorporation proceedings in abeyance for a period of fifteen (15) months shall be null and void and of no effect whatsoever, and the proceedings shall be continued as provided in this chapter just as though the proposed new incorporation were not within the specified distance of such existing city.

(c) The proponents of the incorporation shall have a period of fifteen (15) months; either after the filing of the voters' list; or after the expiration of the fifteen (15) months abeyance period reserved for existing cities; or after

the filing of the resolution declaring no interest by the existing city, within which to give notice of application to hold the incorporation election as provided in §§ 6-1-209 and 6-1-210. All applications for charters and lists of voters required by §§ 6-1-202 and 6-1-203 shall be null and void unless the notice of application to hold the incorporation election is given within fifteen (15) months from the earliest date on which it could be lawfully given. [Acts 1877, ch. 121, § 6; Shan., § 1855; Code 1932, § 3296; Acts 1957, ch. 346, § 1; 1959, ch. 395, § 2; 1971, ch. 260, § 1; 1974 (Adj. S.), ch. 776, § 1; impl. am. Acts 1978 (Adj. S.), ch. 934, §§ 7, 22, 36; T.C.A. (orig. ed.), § 6-105; Acts 1980 (Adj. S.), ch. 515, § 1.]

6-1-206. Keeping list subject to inspection. The county clerk or member of the county legislative body shall indorse on said list the date of filing the same, and keep it subject to public inspection, and for the other purposes hereinafter mentioned. [Acts 1877, ch. 121, § 6; Shan., § 1886; mod. Code 1932, § 3297; impl. am. Acts 1978 (Adj. S.), ch. 934, §§ 7, 22, 36; T.C.A. (orig. ed.), § 6-106.]

6-1-207. Addition of names to voters' list. At any time after said list has been so filed, and before the day of the election hereinafter provided for, any person who would, were said town then incorporated, be a qualified voter in municipal elections therein, and whose name has been omitted from or incorrectly written on said list, may have his name entered or corrected under the proper letter on said list by applying to the county election commission having custody of said list and demanding that the same be done. Said county election commission shall enter or correct such name, but, if not satisfied as to the right of the persons applying, he may cause them to make oath that they are so entitled, and they shall be liable to be prosecuted for perjury if they willfully swear falsely. Provided, if a name of a person appears legally on said list, such person shall be eligible to vote in the election on the question of incorporation. [Acts 1877, ch. 121, § 6; Shan., §§ 1888, 1889; Code 1932, §§ 3299, 3300; T.C.A. (orig. ed.), § 6-107; Acts 1980 (Adj. S.), ch. 515, § 2]

6-1-208. Absentee voting. Voting by absentee ballot shall be permitted in the election relative to the adoption of a mayor-aldermanic charter. [Acts 1877, ch. 121, § 7; impl. am. 6-1-209. Notice of application. Written or printed notice, to which the names of at least five (5) of the persons intending to apply for the charter shall be attached, setting

forth the name and boundaries of the proposed incorporation, the time of filing said list, the place where the same may be found, and the name of the official having custody thereof, shall be conspicuously posted at not less than three (3) public places within the limits of the proposed incorporation, for thirty (30) days, and if there be a newspaper published in said town, or if not, and there be one (1) published in the county, such notice shall also be published therein, once a week for four (4) successive weeks. If the proposed incorporation includes territory in two (2) or more counties, such publication may be made in a newspaper published in any one of such counties. [Acts 1875, ch. 92, § 2; 1877, ch. 121, § 6; Shan., § 1887; mod. Code 1932, § 3298; Acts 1959, ch. 295, § 3; T.C.A. (orig. ed.), § 6-109.]

6-1-210. Election. After not less than thirty (30) days have elapsed since the date of posting of notice or of the first publication in a newspaper as required by § 6-1-209, the county election commission of the county in which such territory is located, by duly appointed judges, clerks, and officers of election, upon the costs incident to such election being paid or secured to them shall after giving ten (10) days notice include the question of the proposed incorporation on the ballot in the next election, as defined in § 2-1-104(6). If the proposed incorporation includes territory in two (2) or more counties, the county election commissions of the counties in which the territory is situated shall also include the question of the proposed incorporation on the ballot in the next election, as defined in § 2-1-104(6) and all of the commissions shall execute the certificate required by § 6-1-213. 6-1-401. Officers of municipalities. (a) The officers of each municipality, unless otherwise provided, shall consist of a mayor, two (2) aldermen for each ward, one half (1/2) of the aldermen to be elected, on organization for one (1) year, and the other half for two (2) years, and their successors annually thereafter; and such officers as they may deem necessary for the proper administration of municipal affairs, to be elected by said board of mayor and aldermen. In order to avoid the expense of holding two (2) elections, the first mayor and aldermen may be elected at the election held under § 6-1-210; provided, that the mayor and aldermen so elected shall not take office unless and until the incorporation of such municipal corporation shall be approved by a majority vote as required in this chapter.

(b) Any municipality may in lieu of having two (2) aldermen for each ward provide by ordinance for a particular number of aldermen for the municipality to be eligible for and elected to such office without regard to ward residence; provided, such ordinance shall continue any incumbent alderman in office for the remainder of the term for which such alderman was selected, and shall be adopted on final passage by a two thirds (2/3) vote of the legislative body.

(c) In the event a majority of the qualified voters of any municipality in an election for that purpose called by a petition of ten percent (10%) of said voters should vote in favor of eliminating staggered terms for the mayor and aldermen in order to save the expense of holding annual elections or for any other good reason, the municipal election for that year (the year in which there is a favorable vote to eliminate staggered terms) shall be postponed until the next regular municipal election at which time all members of the municipal council shall be elected at the same time.

(d) Upon the holding of an election to determine whether or not members of the board of mayor and aldermen shall be staggered as provided for above, the county election commission shall make return of the election as provided in §§ 6-1-212 and 6-1-213.

(e)(1) A municipality that consists of one (1) ward may by ordinance provide for the election of four (4) aldermen. Any incumbent shall complete his term of office. At the next election, four (4) aldermen shall be elected, two (2) of which shall be elected for a term of two (2) years and two (2) of which shall be elected for a period of four (4) years; thereafter, aldermen shall be elected for four (4) year terms. In such municipalities, the term of office of the mayor shall be the same four (4) years as it is for aldermen, such four (4) year term to commence at the next election for mayor.

(2) The adoption of any ordinance, enacted prior to enactment of the language of subdivision (e)(1) by any municipality which has a mayor-aldermanic charter issued pursuant to

general law and which consists of a single ward, providing for the election of four (4) aldermen to serve staggered four (4) year terms and remaining in force on April 7, 1982 is hereby ratified, validated, and confirmed.
